^{*}This plan's prescription drug coverage is, on average, expected to equal or exceed the value of standard Medicare Part D benefit. This is considered creditable coverage. Since this coverage is creditable, Medicare-eligible individuals do not have to enroll in a Medicare prescription drug plan while they maintain this coverage. Be aware, however, that if the individual has a subsequent break in this coverage of 63 days or longer any time after he or she was first eligible to enroll in a Medicare prescription drug plan, the individual could be subject to a late enrollment penalty in addition to the Medicare Part D premium.

^{**}This plan's prescription drug coverage is not, on average, expected to equal or exceed the value of standard Medicare Part D benefit. Therefore, this coverage is considered non-creditable. This is important for individuals who are or will become eligible for Medicare Part D. Most likely, the individual would receive more help with medication costs if he or she joined a Medicare Part D plan than if he or she only had coverage through this plan. The individual could also be subject to a higher premium (a penalty) if he or she does not join a Medicare drug plan when he or she first becomes eligible.

^{***}Cal-COBRA enrollees will receive a separate Cal-COBRA Election Notice and Enrollment Form to complete. The notice includes important information regarding health care coverage options and rates.

Binding Arbitration

Sutter Health Plus handles and resolves member disputes through grievance, appeal and independent medical review processes. However, in the event that a dispute is not resolved in those processes, Sutter Health Plus uses binding arbitration as the final method for resolving all such disputes.

As a condition of your membership in Sutter Health Plus, you agree that any and all disputes between yourself (including any heirs or assigns) and Sutter Health Plus, including claims of medical malpractice (that is as to whether any medical services rendered under the health plan were unnecessary or unauthorized or were improperly, negligently or incompetently rendered), except for small claims court cases and claims subject to ERISA, shall be determined by binding arbitration. Any such dispute will not be resolved by a lawsuit or resort to court process, except as California law provides for judicial review of arbitration proceedings. You and Sutter Health Plus, including any heirs or assigns to this Agreement, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of binding arbitration.

I hereby agree to give up my/our right to a jury trial and accept the use of binding arbitration. I understand that the full arbitration provision is contained in the Individual and Family Plan Subscriber Contract and EOC.

ATTESTATION FORM

Qualifying Events for Special Enrollment

You may enroll or change your coverage outside of the annual open enrollment period if you meet one of the requirements for a qualifying event. To be considered eligible in most cases, your application for coverage due to a qualifying event must occur within 60 days of the qualifying event. An eligible individual or dependent who experiences a loss of minimum essential coverage, has 60 days prior to and 60 days following the loss of coverage to enroll. Unless otherwise indicated, coverage will become effective the first day of the month following receipt of the application.

Instructions: Select the applicable qualifying/triggering event below and complete the qualifying event details section. Be sure to sign and date the attestation and submit this form along with your Health Care Coverage Application/ Enrollment/Change Form and first month premium (if applicable).

Qualifying/Triggering Events

- Termination of government-sponsored coverage, such as Medi-Cal
- Non-payment of premium by a financially interested third-party entity

Loss of coverage due to voluntary termination, failure to pay premiums and rescission do not qualify as triggering events.

Gain or become a dependent due to marriage or domestic partnership.

Gain or become a dependent due to birth, adoption, placement for adoption or placement in foster care. Coverage will be effective on the date of the event unless you request a later effective date.
