Thank you for applying to Banner Life Insurance Company. The soliciting insurance broker (broker) should be able to answer any questions you may have. This broker is an independent broker, not an employee of Banner Life Insurance Company, and is not authorized to make or modify contracts or to waive any requirements or any information that we may request.

Underwriting

Once we receive your application, we will begin an evaluation process called underwriting to determine whether you are eligible for insurance and, if so, the rate you should pay for that insurance. We may find that we are unable to give you the insurance you have applied for or that we are able to give it to you only on a modified basis or at a rate greater than our lowest rate.

Your application will be our primary source of information; therefore, it must be true, complete, and accurate. You must inform us of a change to any answer in any part of your application before accepting delivery of a policy; in fact, you agree to do so when you sign your application. We may seek information from other sources to help us evaluate the information you give us on your application.

Contestability

We strongly urge you to review the completed application closely for accuracy. A claim may be denied, the policy may be void or your coverage may be lost if the application is incomplete or if it contains false statements or material misrepresentations. Any policy that may be issued will indicate when and under what circumstances it may be contested. Please be aware that if the application contains material misrepresentations or conceals material facts, and you submitted it with the intent to defraud or to facilitate fraud against us, you may also be guilty of insurance fraud, which is a crime. You must inform us of a change to any answer in any part of your application before accepting delivery of a policy; in fact, you agree to do so when you sign your application.

Replacement of Existing Coverage

If you intend to replace existing coverage, tell the broker of your intention and answer "yes" to the replacement question in the application; state law may require the broker to give you information that will help you compare the policy you are applying for with the policy you intend to replace. If you are undecided about keeping existing coverage, indicating an intention to replace existing coverage may help you get the information you need to make a decision. If you do replace existing coverage, the new policy may contain new suicide and contestable periods. The following would be considered replacement: you stop paying premiums on an existing policy or surrender an existing policy before or shortly after applying to us or you borrow from an existing policy to pay premiums for the insurance for which you are applying. State law may define replacement to include other situations. Ask the broker if you are unsure.

Insurance Information Practices

We will rely primarily on information provided by you. We may supplement that information with information from other sources such as medical professionals who have treated you. In some cases, we may ask a consumer reporting agency to collect information and submit an investigative consumer report to us as explained in this Notice under Federal Fair Credit Reporting Notice. You may request to be interviewed in connection with the preparation of this report.

In certain limited situations, we are allowed by law to disclose necessary items of personal information to third parties without your specific authorization.

You have the right to be told about, and receive copies if you wish, of items of personal information about you that appear in our files, including information contained in investigative consumer reports. You also have the right to seek correction of information you believe to be inaccurate.

We will send you a more detailed explanation of our information practices if you send us a written request. You may send your request to the Director of Underwriting, Banner Life Insurance Company, 1701 Research Boulevard, Rockville, MD 20850-3191.

Federal Fair Credit Reporting Notice

As part of our underwriting, we may ask that an investigative consumer report be prepared. An independent source known as a consumer reporting agency will prepare the report. The report will typically include information as to your character, general reputation, mode of living, and personal characteristics. The agency may conduct personal interviews with your family, friends, neighbors, business associates, financial sources, or others with whom you are acquainted in order to get this information. If you write to us within a reasonable time after you receive this Notice, we will tell you whether or not a report was requested. If a report was requested, we will tell you the name, address, and telephone number of the agency to whom the request was made. Upon request, the agency will furnish information as to the nature and scope of its investigation. If you would like to inspect and to receive a copy of the report, you may do so by contacting the agency directly.

The consideration for temporary insurance is the Temporary Insurance Application and payment of an amount equal to the first modal premium for the plan applied for or completion of the payment options form.

Limited Amount. The Limited Amount is the lesser of: (1) the amount of insurance applied for in the Application or (2) \$1,000,000 minus the amount of insurance on the Proposed Insured's life with the Insurer under any other applications for insurance now pending or other temporary insurance agreements.

Start Date. Temporary insurance equal to the Limited Amount will begin on the Start Date subject to the terms of this TIAA. The Start Date is the Date of this TIAA.

Stop Date. Temporary insurance automatically ends on the **earliest** of the following: (1) the date the Owner withdraws the application for insurance or refuses to accept any policy issued or offered; (2) the date the Insurer mails or otherwise provides notice to the Owner or his/her agent that it was unable to approve the requested coverage at the premium amount quoted and a counter offer is made by the Insurer; (3) the date the Insurer mails or otherwise provides notice to the Owner or his/her representative that it has declined or cancelled the application; (4) the date the Insurer mails or otherwise provides a premium refund to the Owner or his/her representative; (5) the date the policy is delivered to the Owner and delivery requirements have been completed.

THIS AGREEMENT PROVIDES A LIMITED AMOUNT OF LIFE INSURANCE COVERAGE FOR A LIMITED AMOUNT OF TIME, SUBJECT TO THE TERMS AND CONDITIONS SET FORTH BELOW.

TEMPORARY INSURANCE AGREEMENT

Agreement. Subject to the terms of the policy applied for and this TIAA, the Insurer agrees to pay the Limited Amount to the beneficiaries listed in the Application - Part 1 upon receipt of due proof that the Proposed Insured died, except due to suicide, and provided all eligibility requirements and conditions for coverage under this Agreement have been met. The consideration for temporary insurance is the Temporary Insurance Application and payment of an amount equal to the first modal premium for the plan applied for or completion of the payment options form.

Limited Amount. The Limited Amount is the lesser of: (1) the amount of insurance applied for in the Application or (2) \$1,000,000 minus the amount of insurance on the Proposed Insured's life with the Insurer under any other applications for insurance now pending or other temporary insurance agreements.

Start Date. Temporary insurance equal to the Limited Amount will begin on the Start Date subject to the terms of this TIAA. The Start Date is the Date of this TIAA.

Stop Date. Temporary insurance automatically ends on the **earliest** of the following: (1) the date the Owner withdraws the application for insurance or refuses to accept any policy issued or offered; (2) the date the Insurer mails or otherwise provides notice to the Owner or his/her agent that it was unable to approve the requested coverage at the premium amount quoted and a counter offer is made by the Insurer; (3) the date the Insurer mails or otherwise provides notice to the Owner or his/her representative that it has declined or cancelled the application; (4) the date the Insurer mails or otherwise provides a premium refund to the Owner or his/her representative; (5) the date the policy is delivered to the Owner and delivery requirements have been completed.

Policy Date. The policy date of any policy issued will be the Start Date unless the policy is backdated at the Owner's request. The prepayment for this temporary insurance will be applied to the first premium due if the policy is issued.

Other Limitations. The Insurer's liability will be limited to a return of the Amount Remitted if: (1) any part of the life insurance application or this TIAA contains a misrepresentation material to the Insurer; or (2) the Proposed Insured dies by suicide.

**TEMPORARY INSURANCE APPLICATION
AND AGREEMENT (TIAA)**

(continued)

I represent that: (1) I have read and received a copy of this TIAA and agree to all of its terms and conditions; (2) I understand and agree that temporary insurance will not begin if any question in this TIAA is answered Yes or left blank and any collection of premium will not activate coverage under this agreement; (3) the answers given in this TIAA are true and correct, and I understand that, if they are false, temporary insurance may be denied or declined; (4) I understand that completing this TIAA does not guarantee that the Insurer will issue a policy on the Proposed Insured's life; (5) I understand that the licensed insurance agent is not authorized to change or waive the terms of this TIAA or to collect premium if the Proposed Insured is ineligible for coverage under this Agreement; and (6) I understand that any premium submitted with this TIAA will be refunded if the Insurer does not approve the requested coverage.

NOTICE AND CONSENT FOR HIV-RELATED BLOOD TESTING

To evaluate your insurability, the Insurer named above (the Insurer) has requested that you provide a sample of your blood for testing and analysis to determine the presence of human immunodeficiency virus (HIV) antibodies. By signing and dating this form you agree that this test may be done and that underwriting decisions will be based on the test result. A series of three tests will be performed by a licensed laboratory through a medically accepted procedure.

Pre-Testing Considerations

Many public health organizations have recommended that before taking an HIV-related blood test a person seek counseling to become informed concerning the implications of such a test. You may wish to consider counseling, at your expense, prior to being tested.

Meaning of Positive Test Result

The test is not a test for AIDS. It is a test for antibodies to the HIV virus, the causative agent for AIDS, and shows whether you have been exposed to the virus. A positive test result does not mean that you have AIDS but that you are at significantly increased risk of developing problems with your immune system. The test for HIV antibodies is very sensitive. Errors are rare, but they do occur. Your private physician, a public health clinic, or an AIDS information organization in your city might provide you with further information on the medical implications of a positive test.

Positive HIV antibody test results will adversely affect your application for insurance. This means that your application may be declined, that an increased premium may be charged, or that other policy changes may be necessary.

Confidentiality of Test Results

All test results are required to be treated confidentially. They will be reported by the laboratory to the Insurer. The test results may be disclosed as required by law or may be disclosed to the employees of the Insurer who have the responsibility to make underwriting decisions on behalf of the Insurer or to outside legal counsel who needs such information to effectively represent the Insurer in regard to your application. The results may be disclosed to a reinsurer, if the reinsurer is involved in the underwriting process. The test may be released to an insurance medical information exchange under procedures that are designed to assure confidentiality, including the use of general codes that also cover results of tests for other diseases or conditions not related to AIDS, or for the preparation of statistical reports that do not disclose the identity of any particular person.

Notification of Test Results

If your test results are negative, no routine notification will be sent to you. If your test results are reported by the laboratory to the Insurer as being positive, you will receive written notification of such results from a physician you have designated or, in the absence of such designation, from the Texas Department of Health. Because a trained person should deliver the information so that you can understand clearly what the result means, you are asked to list your private physician so that the Insurer can have him or her tell you the test result and explain its meaning.

Name of physician for reporting a possible positive test result: _____

Address: _____

In the event the test is positive and you are denied coverage because of the fact that you request the reason for the denial, the insurer may require you to name a physician at that time in order to receive the information.

If the test indicates a positive result, but you do not designate a private physician, the test results will be provided to you by a representative of the Texas Department of Health.

Consent

I have read and I understand this Notice and Consent for HIV-Related Blood Testing. I voluntarily consent to the withdrawal of blood from me, the testing of that blood, and the disclosure of the test results as described above. I have read the information on this form about what a test result means.

I understand that I have the right to request and receive a copy of this authorization. A photocopy of this form will be as valid as the original.

Important Notice: Replacement of Life Insurance or Annuities

This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant.

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy or an annuity contract involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, or an existing policy to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract? _____ Yes _____ No
2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract? _____ Yes _____ No

If you answered "yes" to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing:

INSURER NAME	CONTRACT OR POLICY #	INSURED OR ANNUITANT	REPLACED (R) OR FINANCING (F)
1.	_____	_____	_____
2.	_____	_____	_____
3.	_____	_____	_____

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. [If you request one, an in force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer.] Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

The existing policy or contract is being replaced because _____ .

I certify that the responses herein are, to the best of my knowledge, accurate:

Applicant's Signature and Printed Name Date

Producer's Signature and Printed Name Date

I do not want this notice read aloud to me. _____ (Applicants must initial only if they do not want the notice read aloud.)

A completed copy of this form must be provided to the applicant and administrative office.

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase make sense.

PREMIUMS: Are they affordable?
Could they change?
You're older - are premiums higher for the proposed new policy?
How long will you have to pay premiums on the new policy? On the old policy?

POLICY VALUES: New policies usually take longer to build cash values and to pay dividends.
Acquisition costs for the old policy may have been paid, you will incur costs for the new one.
What surrender charges do the policies have?
What expense and sales charges will you pay on the new policy?
Does the new policy provide more insurance coverage?

INSURABILITY: If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
You may need a medical exam for a new policy.
Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
Suicide limitations may begin anew on the new coverage.

IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:
How are premiums for both policies being paid?
How will the premiums on your existing policy be affected?
Will a loan be deducted from death benefits?
What values from the old policy are being used to pay premiums?

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:
Will you pay surrender charges on your old contract?
What are the interest rate guarantees for the new contract?
Have you compared the contract charges or other policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:
What are the tax consequences of buying the new policy?
Is this a tax free exchange? (See your tax advisor.)
Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
Will the existing insurer be willing to modify the old policy?
How does the quality and financial stability of the new company compare with your existing company?

Notice of Right to Return the Policy

30 Day Right to Examine Policy - Please read your policy upon receipt.

You may return your policy to Banner Life or to the life agent through whom you bought it within 30 days from the date you receive the policy. If you return it within the 30-day period, the policy will be void from the beginning. We will refund any premiums paid, including any fees or charges. For variable life policies, the refund will be the cash surrender value provided under the policy plus any fees and charges deducted.

A completed copy of this form must be provided to the applicant and administrative office.
